FEC Letter dated April 11, 2007

Dear Ms. Winship:

This responds to your letter concerning the above referenced FEC report.

Please be advised that the payment received from "Montanans for Tester" and reported on Schedule A supporting Line 15, represents the actual costs for the personnel services provided.

We have amended our Post-General Report to include a list of the committees designating the Democratic Senatorial Campaign Committee to make coordinated expenditures. We have also amended the Post General Report, Schedule F, supporting Line 25, to provide the actual date the expenditure was incurred, where payment was made after the general election date. The amended Schedule F, supporting Line 25, also includes, as memo entries, the coordinated expenditures which were reported in the Committee's Year End Report (11/28/06-12/31/06), with the date each expense was incurred.

With respect to the aggregate year to date total for "Susan W Turnbull," the aggregate as reported on Schedule A. is correct. A contribution refund of \$4,500.00 was made to Ms. Turnbull on 11/17/06. We have amended Schedule A to provide additional clarifying information.
